Palte Family, It's with deep sympathy to here of your recent loss. My Aunt Doris in her prime was a surly and strong willed woman, but I always loved her dearly. I believe all she ever wanted from life was the best for her children. And she would do whatever she could to make that happen. She was so proud of you all. We all have our memories, but mine for my Aunt Doris are filled with love and I am so thankful that we stayed in contact these past many years. Your Cousin, Love, Susie
