Max & Kathy, Ruby...all the family-Sorry to hear of Jay's passing. Clearly he lived a long life, and I hope much of it was good. I only opened the paper late this evening or might have been able to come to the visitation. Tomorrow is not possible due to my work schedule as a professor at the U. of Findlay. Anyway, my thoughts are with you and, I'm sure, represent those of my brother (Greg) and sister (June) who probably have not yet heard this news. Thoughts and prayers are with you, for sure. Most Sincerely, Rosalie
